## 2022 APPROVED SUPPLIER LIST

### UMBRELLA COMPANIES

All Umbrella companies on this list are accredited by **FSCA** or Professional Passport and/or are members of **APSCo** which are requirements for inclusion onto our ASL.

We are unable to work with any companies not included on this list, but should they have the above accreditation and/or membership we will be happy to include them in our annual review of this ASL.

Whilst we are happy to work with each of these companies, we are unable to recommend one over another and would suggest you contact each of them to find out which would be the best fit for you. They are listed below in alphabetical order: Danbro, Giant, NASA and Parasol.

We would also recommend all new contractors working through umbrellas sign up to the **Professional Passport** contractor newsletter ([www.professionalpassport.com](http://www.professionalpassport.com)).
