2021 Preferred Supplier List

Umbrella Companies

All Umbrella companies on this list are members of APSCo and are FSCA accredited, which are requirements for inclusion onto our PSL. We are unable to work with any companies not included on this list, but should they have the above accreditation and membership then we will be happy to include them in our annual review of this PSL.

Whilst we are happy to work with each of these companies, we are unable to recommend one over another and would suggest you contact each of them to find out which would be the best fit for you. They are listed below in alphabetical order: **Danbro, Giant, NASA and Parasol.**

We would also recommend all new contractors working through umbrellas sign up to the **Professional Passport** contractor newsletter (www.professionalpassport.com). We are a member of Professional Passport so can offer you access to the site, which includes information pages for those new to contracting and provides useful guides to the latest legislation for contractors.

Please let your consultant know if you would like us to register you, free of charge.

DANBRO

With 20 years' experience with contractors, agencies and end clients, you can rely on us to take care of your admin and pay you promptly. We act within the spirit of the law and have recently completed our FCSA accreditation so will ensure your pay is dealt with in a compliant manner.

We're a family owned business who live by our strong values and care about our contractors. Our values reflect who we are and underpin the service we give you.

Regardless of your expertise or the sector you work in, we're here to help provide employment benefits and support your contracting career.
